Dear Valued Customer,

We are pleased to announce that M&B Porta Potty has completed a sale of its portable toilet division to Blu Site Solutions. Because of this sale, you may be wondering what you can expect going forward and we have great news! Beginning September 1st, the only change will be our name. Overtime our fleet will be getting a new logo, but our commitment to you remains the highest priority.

You will still be serviced by the same team of professionals and receive the same great service you have come to know during your time with M&B Porta Potty. The services provided under your rental agreement will remain the same along with the current pricing structure.

Over the next year, we will be working closely with M&B to transition all aspects of the business into our systems. We thank you for your patience as we move through this transitional period and would be delighted if you would place your trust in us.

"We are excited to expand our presence in the Atlanta, GA market by acquiring a customer service focused business that has a loyal, local customer base."

Daryl Gaskins, President of Blu Site Solutions

"We selected Blu Site Solutions to purchase our portable toilet business because of their grass roots, family-oriented local business, and their resources far exceed our own."

Tim and Lori Collins, Owners of M&B Porta Potty

Should you have any questions or concerns about the transition, please do not hesitate to contact us at the same number you've always used: (770) 228-1122 or (800) 682-7023. You can also visit us online at blusitesolutions.com. We look forward to being your vendor of choice through hard work and dedicated service!

Yours Sincerely,

Tim Collins
